This week marks the end of Semester 1! Today, students will complete their Period 4 exams, and then they can officially take a well-deserved break to relax and recharge for a fresh new start and exciting opportunities in Semester 2 which begins on Friday, January 31st! On Wednesday, January 29th, students will have a chance to attend classes, go over their Semester 1 exams, and get their exam and CPT marks. Teachers are hard at work this week finalizing grades and report cards.

As we wrap up a busy and sometimes stressful season, I truly hope that everyone in our Goetz community takes some time to focus on their mental health and well-being. As 2 Corinthians 5:17 reminds us, "Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!" This is a wonderful opportunity to embrace the renewal that comes with a fresh start and all the possibilities that lie ahead. God Bless! - Ms. Allegretto

Let us pray,  
We thank You for the unique talents that you have given each of us, especially when these talents unite all cultures. We pray that we share these talents as gifts from You, and always appreciate those of each other. Most importantly, we thank You for giving us virtues, especially love, that have structured us as humble beings of Your kingdom.

Help us learn about and follow the lessons of the Holy Scriptures and the example set by Your Son Jesus, the Virgin Mary, her husband Joseph, all the Saints, all holy people who came before us, including the example and intercessions of our Patron Saint, St. Andre Bessette.

Help us give more to this school community than it has given us. Guide us today, tomorrow, and in the years to come so we may continue to take a risk, get involved, and be committed. As we do this, may we grow and become successful physically, mentally, socially, emotionally but most of all spiritually. Amen. St. Andre Bessette, pray for us.
